COMMITTEE ON UNDERGRADUATE STUDIES AND ADVISING
Minutes of the Meeting for February 8, 2011

The committee met on Tuesday, February 8, 2011, at 11:00 a.m. in Room 210 Strong Hall. The following were present: Bradley, Burright, Crosby, Cudd, de Boer, Dozier, Earnhart, Fischer, Gray, Ledom, McCrea, McNeley, Mielke, Tucker, Pye

MINUTES A motion was made to approve as written the January 25, 2011 meeting minutes of the Committee on Undergraduate Studies & Advising. The motion was seconded and passed unanimously.

CHAIR'S REPORT No report.

DEAN’S OFFICE REPORT No report.

CLA&S STUDENT ACADEMIC SERVICES REPORT Assistant Dean McNeley relayed additional feedback that had been received regarding the Petition Process for Substitution of Math Requirements to the BGS Degree Option due to Learning Disability. Discussion included suggestions for clarification of when petitions would be due (within two weeks of posted grades for the term in which the course is completed) and refining requirements that show documentation of a “good faith effort.” A motion was made to approve these additional modifications for presentation to CAC that afternoon. The motion was seconded and passed with one abstention. The revised document is included with these minutes as Attachment 1.

Dr. McNeley gave some background about the Kansas Board of Regents’ Transfer and Articulation Task Force, and referred members to the “Core Outcomes Initiative” discussion draft (Attachment 2). She wanted to bring this issue before CUSA, particularly because many of the courses involved in this agreement come from, or will come from, the College. Dr. McNeley invited further feedback from CUSA members as it arose.

SUBCOMMITTEE CHAIR REPORTS

A. ADVISING & AWARDS
   The subcommittee did not meet.

B. CURRICULAR CHANGES/DEGREE REQUIREMENTS
   1. Curricular Changes for Approval

   NEW COURSES: GIST 201, GIST 501, ENGL 390, HNDI 301, HNDI 310, HNDI 320, REL 550, REL 557
   Professor Fischer went over the above proposed new courses and brought forward a motion to approve them. The motion was seconded and passed unanimously.

   DELETED/DEACTIVATED COURSES: ANTH 220, ANTH 369, ANTH 378, COMS 455, POLS 412, POLS 505, POLS 513
   Professor Fischer went over the above proposed deletions/deactivations. There were no questions. A motion was made to approve them. The motion was seconded and passed unanimously.

   CHANGES: ENGL 590, REL 475
   Dr. Fischer went over the above proposed changes. A question was asked about the change to ENGL 590, and clarification was made that this course is a capstone course, so removal of the freshmen/sophomore component was hoped to help ensure more juniors and seniors would be enrolling in it. A motion to approve was made, seconded, and passed unanimously.
2. **Degree Requirements for Approval**

   Change to Existing V.A. and B.G.S. in Political Science Major
   A motion was made to approve the above proposed change. The motion was seconded and passed unanimously.

C. **ACADEMIC STANDARDS**

   Professor Dozier reported that the subcommittee would be bringing a topic to CUSA that they are beginning to see, of whether or not a petition would be allowed to change a degree already granted (for example, a BA to a BS) by just taking the additional classes necessary to complete the other degree requirements. Also coming to the CUSA table may be petitions to obtain two degrees in the same major.

There was no further business, and the meeting was adjourned at 12:15 p.m.
College of Liberal Arts and Sciences  
Petition Process for Substitution of Math Requirements to the BGS Degree Option due to Learning Disability

Petitions for substitutions must be submitted to the CUSA Academic Standards Committee for approval at the end of the term (within 2 weeks of grade submission) in which the course is completed. Students will be notified of the decision in writing. Petitions must include:

1. Recommendation and confirmation from KU AAAC (Academic Achievement and Access Center)-Disability Resources of the learning disability including documentation, specifically documenting mathematics disability. Documentation must meet the standard established by AAAC.

2. Documentation of long-term mathematics performance (high school transcript including previous Individual Education Plans (IEP) if available).

3. Documentation of a good faith effort:
   a) Accommodations Fully Utilized: All accommodations approved by AAAC and Faculty
   b) Attendance: No more than the maximum allowed absence.
   c) Deadlines: All met with consideration for “circumstances outside the control” of the student
   d) Documented Tutoring/Help Room Participation: Minimum 2 hours per week. University sponsored, enhanced sections if available (with LD focus)
   e) Course Final Examination: Completed

4. Student’s complete academic record (for example: ACT/SAT scores, mathematics placement exam results, term and cumulative GPAs, and semester course loads)

If approved:

1. Substitutions will be approved for specific majors and degree options (as officially registered in Enroll & Pay). Prerequisite requirements will be considered essential elements of the major and degree. A math course substitution will not be approved if it is for a mathematics prerequisite of a required course in the individual student’s major.

2. The number of hours for substitution will be determined for up to 6 hours of Curriculum. The student will be permitted to select an appropriate course substitution from the following options (if applicable for the confirmed Major and Degree):
   - **Within CLAS offerings:**
     PHIL 310 Symbolic Logic
     PHIL 148 – if this course is used to fulfill a Mathematics general education requirement, student must also successfully complete COMS 130 to fulfill the Argument and Reason general education requirement.
     Departmental statistic courses with departmental approval and waiver of mathematics prerequisites
   - **Outside CLAS offerings**
     FIN 101 Personal Finance
   - Student may also request another class for approval by CUSA Academic Standard Subcommittee.

3. The retroactive withdraw option from a single mathematics course to remove a failing grade will not be approved by Academic Standards, to maintain consistency with current policy.
**Discussion Draft: Core Outcomes Initiative**

**Model Transfer and Articulation Process**

**Kansas Board of Regents**

**Transfer and Articulation Task Force**

**January 2011**

*Implementation: Core Outcomes Initiative*

- Core Outcomes Project serves as implementing/approving body
  - Faculty Panels meet by discipline to agree on criteria and outcomes, beginning with General Education (expand to individual disciplines later)
    - Review criteria for transfer
    - Review individual courses for transfer (requires a mechanism)
      - Need to provide faculty with tools to make a decision; a clear-cut process to ensure we have what students need
        - Agreed upon learning outcomes
        - Syllabi
        - Student portfolios in order to assess their work
        - Other?
  - Complete General Education review by Fall 2012
  - Use annual Core Outcomes meeting to review and update progress

*Oversight*

- Appoint system level ombudsperson
  - Coordinate with campus transfer coordinators
  - Liaison to Transfer and Articulation Advisory Council
  - Establish and maintain a system for resolving complaints that cannot be settled at campus level (requires a mechanism)
- Campus Transfer Coordinator/Ombudsperson designated by each institution
  - Monitor advising issues at the campus level
  - Initial contact for resolving problems and adjudicating complaints
- Establish a Transfer and Articulation Advisory Council to monitor overall process
  - Meet quarterly to review activities and respond to concerns
  - Develop/revise any required policies or guidelines
  - Make recommendations to improve process
  - Membership to be established (institutional representatives, Board staff, etc.)

Change to Existing Linguistics Minor

**PROPOSAL:**
In order to better clarify that all minors require 12 of the 18 hours in the minor be junior/senior level courses, we propose to add the submitted language.

**CURRENT REQUIREMENTS:**
Requirements for the Minor
Core Requirements 15 hours
Complete each of the following:

- LING 106 Introductory Linguistics (3) or
- LING 107 Introductory Linguistics, Honors (3)
- LING 110 Language and Mind (3)
- LING 305 Phonetics I (3)
- LING 312 Phonology I (3)
- LING 325 Syntax I (3)

Electives 3 hours
- 1 additional course in linguistics, chosen by the student in consultation with the undergraduate coordinator. The course must be at least 3 credit hours.

**PROPOSED REQUIREMENTS:**
Requirements for the Minor
Core Requirements 15 hours
Complete each of the following:

- LING 106 Introductory Linguistics (3) or
- LING 107 Introductory Linguistics, Honors (3)
- LING 110 Language and Mind (3)
- LING 305 Phonetics I (3)
- LING 312 Phonology I (3)
- LING 325 Syntax I (3)

Electives 3 hours
- 1 additional course in linguistics at the junior/senior level, chosen by the student in consultation with the undergraduate coordinator. The course must be at least 3 credit hours.

**JUSTIFICATION:**
To better clarify that the elective chosen must be at the junior/senior level in order to meet the College minimum requirement of 12 hours in the minor.
