WGSS 563 Gender, Sexuality and the Law

JUSTIFICATION:
At present we have been allowing our majors and minors to take WGSS 650 Service Learning as many times as they want and to have it count toward elective requirements – this practice has been abused. We want to restrict that practice: they can take the course 3 times but have it count toward the WS major and minor and HSXL minor only once.

c. Change to Existing Human Sexuality Minor

PROPOSAL:
CHANGE 1: Current requirements for the HSXL minor: Introductory sexology course, 3 Core courses (a mix of Humanities and Social Science courses), 2 general electives. We have allowed WGSS 650 Service Learning to count twice for the 2 general electives.
CHANGE 2: We are requesting approval for a new course, WGSS 563 Gender, Sexuality and the Law. This course will satisfy the Core Humanities requirement for the HSXL minor.
